ABOUT US

Ningbo Songmile Packaging Co., Ltd, a professional global supplier, which is specialized in a series of Household cleaning & personal care packaging products, such as trigger sprayers, lotion pumps, mist sprayers, foam pumps, cream pumps, bottles and closures etc.

In 2010, Our founder Mr. James started his own business of trigger sprayer after 3 years' working experience, our first workshop was built this year in Yuyao, we started to produce our own products. In 2014, our products have expanded to other plastic packaging accessories such as lotion pumps, fine mist sprayers and plastic closures. We are fast moving to catch up with growing demand.

During 2016~2018, we are dedicated to improving the management of production and developing new product lines, which makes it possible to help our clients to grow their business. From 2016, we enter into cosmetic Packaging area, our intention is to provide various solutions of packaging for our clients.

Yuyao Songmile Plastic Industry Co., Ltd, a new plant of ours, was established in 2019. The area is 10,000m², with 40 injection machines and 20 assembling machines, it lowers our cost and makes our products more competitive in the market. In this year, our business has greatly increased.

In the past few years, we also passed the sales international certification such as ISO9001, BSCI, SGS and so on.
